Magic of Energy : Going Green - Lisa Lou and Miz Liz use magic and circus skills to teach about renewable energy in this fast paced, exciting show. Fun and interactive! **\$900**

Science of Sound - homemade instruments and lots of fun!

Ellis Island Stories - Originally performed at Ellis Island for over 8 years, this 30 minute play is based on a collection of oral histories given by immigrants who actually passed through Ellis Island between 1892 and 1924. This play is appropriate for ages 9 - adult and is followed by a 15 minute Q&A/discussion period. **\$900**

Science of Sound Assembly or Musical Instrument Inventors Workshop - Campers will find that wonderful music can come from found objects, as homemade instruments are demonstrated in a fun, interactive assembly. Campers can make their own instruments in a hands-on workshop. Choose one or have both at your camp. **\$600/\$485**

Lovely Lady Bugs • Monarch Butterfly Program • Pond Discovery - Campers can experience the amazing secrets of nature up-close with these hands-on environmental workshops. Exciting, fun and unforgettable learning experiences! **\$360**

Cartooning & Caricatures - Cartoon characters are developed from initial shapes to final details. Caricatures require observation and the selection of specific

characteristics. Campers will have fun learning about both types of drawing. **\$360**

Face Painting and Airbrush Art - Summer should be fun...and there is nothing kids like more than having their faces decorated in bright colors and designs, or very cool not-so permanent tattoos adorning their arms. Our artists will wow all ages with their talent. **Call for prices**

Papermaking - This is a very interesting workshop that's lots of fun. Campers will enjoy putting their hands into the soft, colorful, pulpy water and creating a sheet of paper that can be framed as an original work of art. The addition of flowers, leaves, yarn, etc. makes each piece unique. **\$385**

Printmaking - A portable press used to roll out prints makes this workshop an unforgettable experience. Campers will use water-based inks, textured materials and plexiglass plates - along with the press - to create an original print of their own. A fun and interesting learning experience. **\$360**

Improv/Theater Games - Campers will enjoy this creative, "think outside the box" workshop. Very Interactive - children are completely involved - using their imagination and having fun. **\$400**

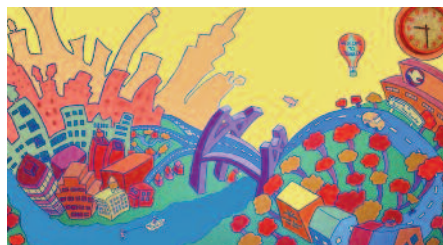

Poetry - Campers will enjoy a change of pace from physical activity to explore the personal expression of poetry. They will learn about contemporary form and be encouraged to write about feelings or incidents, both heartfelt and humorous. **\$380**

Painting A Landscape - Using an impressionistic style, campers paint a landscape on a small canvas. Our artist will demonstrate the technique and guide the young artists in creating their paintings. This requires a 2 day workshop. **\$360**

Murals or Mosaics - Campers can create a lasting piece of art to beautify your camp or town. Murals or Mosaics can decorate walls, planters, doorways, etc. - indoors or out. Children are actively involved with the work individually and in a group effort. Pricing is based on the scope of the project. **Call for prices**

Papermaking - children display their works of art and their smiles!
